**JAMES BURNS**

Dear Archie,

During the past summer my parents and I went on vacation to Hellerstown and Allentown, Pennsylvania. We also went to the Shinnecock Indian Reservation in Shinnecock, New York. In Allentown, Pennsylvania we went to an underground cave. The water in the cave was so pure that you could see the bottom of the pool. I also learned that stalactites form from the top of the cave by crystallization. Stalagmites are the same thing but they form on the bottom of the cave. Sometimes the stalactites looked like animals, people or things to eat. One of the stalactites looked like an ear of corn.

In Hellerstown, Pennsylvania we went to a game farm. In game farms they have all different kinds of animals running loose. When you go near them with food they come charging at you. In Shinnecock we ate Indian food and we saw the Indian ceremonies.

**KATHY MILLER**

Dear Archie,

I am 12 years old and have been collecting stamps since I was 9, so I have a variety of stamps. Stamp collecting is an interesting as well as educational hobby, because you can learn all about different countries and famous people.

All you really need is an album, some stamps, and a package of hinges to affix the stamps to the album.

There is a lot of money to be found in stamps. The most valuable stamp in existence is the British Guiana 1 cent stamp on magenta paper. In 1856 this stamp was worth a penny, but now it is worth 75,000 dollars. Isn't that a lot of money for one stamp! Maybe you could start your collection by going through some old letters if you have any. I'm sure you will find this a worthwhile hobby.

**THIRD PRIZE — \$2.00**

Dear Archie,

My report is about your TV show. I think your show is the greatest because of your singing group "The Archies."

As soon as I heard about the Archies' album I scurried and saved my allowance until I had enough money to buy it. My

favorite songs are: "Sugar, Sugar," "Seventeen Ain't Young," "Bang Shang-a-lang," and "Jingle Jangle." Before I got the album I used to tape the show. I especially like the dance of the week. I tried to do the dances and they are out-a-site. Everyone thinks the show is groovy and I agree with them. Keep up the good work.

Dear Archie,

I live on Guam. It is very hot here. I like to take pictures of the sunsets. Coconuts and bananas grow wild here. The island is 30 miles long and 8 miles wide. The sea here has some lovely colored fish and coral. Some of the fish are poisonous. There is only one kind of snake and it is the rattlesnake. Pigs and chickens also run wild.

I really love to read your comics and I try to collect them all.

Dear Archie

Hi! I would like to tell you about our summer vacation to the Grand Canyon. It was a thrilling experience. We live in Oklahoma so it took us about five days to get there. We got there June 11 at about 6:30 P.M. It was getting pretty dark so we had to make camp. For supper we had hot dogs and potato chips. The next morning I got up to see the sun rise beyond the Grand Canyon. It was very pretty. It is the prettiest thing I've ever seen in my life. After breakfast we started down the canyon. We rented some mules to ride on. At 12:00 noon we stopped for lunch. Soon we came to the waterfalls. We went swimming and stayed there for two days. We then started up and finally reached the top. I was sad to leave. But my father said we might come back again.

# YOU can manage in the Majors with STRAT-O-MATIC Baseball.

As a STRAT-O-MATIC Major League Manager, you'll make the actual game-deciding moves Houk, Hodges, Alston, Weaver and Murtaugh make. You'll decide when to pinch-hit, play the infield in, change pitchers, signal for hit-and-run, bunt or hit away. Only STRAT-O-MATIC BASEBALL brings you so realistically face-to-face with the decisions a Big League Manager makes on the playing fields.

You're always arguing with that guy down the block about who can manage a Big League team better. Well now you can settle that argument under as close to real game conditions as you can find this side of a Major League dugout. And have great fun doing it playing STRAT-O-MATIC Baseball, the real-to-life game that uses actual big league players according to their proven abilities. It's strictly up to YOU to manage your players — to pull them together under your leadership into the most powerful team possible.

You know your baseball. What to expect from clutch-hitting Roberto Clemente with men on base. How to pitch to Willie Mays with Willie McCovey on deck. How the good control pitchers like Fergy Jenkins seem to get stronger in the late innings while "wild men" like Nolan Ryan tire. In STRAT-O-MATIC it's up to you to get the most out of your players.

## DO THINGS YOUR WAY

As you watch a game on TV, aren't there times when you disagree with the manager's decision? When you'd hold Tom Seaver back an extra day to match the Cardinal's Ace, Bob Gibson. Well STRAT-O-MATIC is your chance to play Big League baseball YOUR way.

As a STRAT-O-MATIC Manager, if you make the right decisions, you're going to win. That's because we've taken every possible statistic on 480 Big League players and put them into a computer. All this vital information is brought together on an individual performance card for EACH player. In STRAT-O-MATIC, a player performs as he does on the field. Brooks Robinson makes those incredible plays at third. Frank Howard hits them out of sight.

## EASY-TO-PLAY

Sounds complicated? It's not. The computer does all the hard figuring. Playing STRAT-O-MATIC is easy. It's only the decisions that are hard. Should you hit and run with Boog Powell at bat. It reduces the chances of a groundball Double Play. But you take a chance on the free-swinging Powell taking a whiff as the runner is cut down at second. It's YOUR decision in STRAT-O-MATIC.

STRAT-O-MATIC Baseball begins when you make up your lineup. Would you go with Manager Spanky Anderson's day-to-day lineup for Cincinnati? Or would you slot Pete Rose in the important third place in the order rather than as lead-off? When, as Yankee Manager, is it time to yank Stan Bahnsen? Do you bring in McDaniel or Aker?

## PLAY YOUR DREAM GAMES

Manage STRAT-O-MATIC against all the kids in the neighborhood. Play actual American and National League schedules. Play your inter-league "dream games" — Vida Blue on the mound for Oakland against the Mets with Tom Seaver. You can even pick your own ALL-STAR teams and manage them in a 7-game "World Series" rather than the inconclusive single game.

If you like Big League Baseball, you'll love STRAT-O-MATIC. And just playing it will help you to become a "headier" player yourself. Fill in the coupon and we'll mail you a colorful brochure explaining STRAT-O-MATIC BASEBALL in detail. It's free and includes free samples.

# PUZZLE: FIND AL

Al's got himself lost in his job.

He does his work. He draws his pay. He gripes, and hopes, and waits. But the big breaks never seem to come.

You have to hunt hard for Al. He's in a rut!

Then, who's the figure standing out in the picture? That's Tom. Tom grew tired of waiting. He decided to act. He took three important steps:

1. Wrote to I.C.S. for their three famous career books.
2. Enrolled for an I.C.S. job-related course.
3. Started to apply—on the spot—what he was learning.

The others began to say, "Ask Tom, he knows." The supervisor began to take notice. The boss began to receive reports on Tom's progress. And Tom began to move!

It's a fact worth remembering: An I.C.S. student always stands out!

P.S.—You'll find men like Al everywhere—gripping, hoping, waiting—reading this and skipping on. But forward-looking fellows like Tom will take time to investigate, will mark and mail the coupon and get the three valuable career books free. They're men of action. And a few short months from now, you'll see them start to move!
